# CCD CONFERENCE IN DUBAI

18-19 May 2022 | DUBAI

Contract & Commercial Design (CCD) is a launch pad for the commercial design industry in India and the Middle East, bringing ideas and products that will enable the commercial interior environments of the future.

It is the only platform in the South Asia and Middle East that creates business opportunities by connecting the buyers and sellers in the Commercial Design Industry.

The show brings together the stalwarts of the industry in unique exhibits, informative panel discussions and interactions along with a glittering awards ceremony lauding the top of the league design pioneers in the Indian and global commercial design industry.
